### **Terms And Conditions Of Business**

This is the part where the insurance company and the solicitors make their money and lay down the laws. You need to read and accept these terms and conditions before hiring a vehicle. To make things easier we have started with a summary of the most important points, if you are happy with these then please read on.

All drivers must be aged between 25 and 70 years old (aged over 30yrs for the E-Types, Jaguar MK2's). If you fall outside this range then please contact us on Tel. 0207 965 7366 as it may be possible to make exceptions.

The hire charge includes insurance for one driver with a clean licence there will be an additional insurance charge for allowed endorsements depending on the type of vehicle you wish to hire. Please call for details.

Insurance excess is shown on the tariff page. You will be required to leave a signed

credit card (Not a debit card) slip as security. Your credit card will not be charged unless the car is damaged (see section Other Charges).

We will need to take a copy of your driving licence. If you have an ID card style licence then we will need to see the paper part of your licence as well. If you have an older licence then we will require some form of Photo ID such as your passport. If you have a Photo driving licence then we will also require a recent utility bill. We are also required to take a digital photograph of the hirer when you collect the vehicle.

You will be required to sign a vehicle condition report to verify the condition of the vehicle and its contents before the vehicle leaves our premises.

We can only provide free breakdown recovery up to 100 miles radius from our location in Essex. If the vehicle has to be recovered from more than 100 miles away then the hirer will be liable for the additional costs.

### **Severe weather**

We will not allow our cars to be used in severe weather condition where there is danger to the hirer and the vehicle, this includes snow, ice and driving in heavy rain.

### **Definitions**

1. Hirer - The person who is entitled to drive the vehicle.
2. The owner - Jaguar Warehouse.

### **Persons entitled to drive**

Any person who is driving under a signed temporary contract of hire as issued by the owner. Additional drivers may be added (up to 3 per booking), the daily rate depends on the vehicle. The hirer(s) must hold a full UK driving licence (subject as under 'Insurance' paragraph (v) below) and must have held such licence for at least three years. The hirer's driving licence(s) must be produced to the owner before the hire period commences. Both parts of the photo-card type licence must be produced. The owner will take a copy of that driving licence and a digital photograph of the hirer. The hirer will also be required to produce proof of residence such as a recent utility bill. The owner has an absolute discretion to refuse to hire any vehicle to any person.

## **Overseas Drivers**

Overseas drives will be subject to an insurance surcharge. Overseas drivers must contact the owner prior to booking to obtain insurance approval.

## **Insurance cover**

Provided that the hirer complies at all times in full with these terms and conditions then the hirer will have fully comprehensive insurance throughout the hire period on the owner's policy. However, such insurance is subject to the following:
